

**MC 252 Incident
Waste Disposal Sites**

Waste Disposal Plan - last updated 5/6/10

Potential **Profiled**

Waste Type	Description	Category	Management/ Containment	Container Labeling	Manifesting	Waste Disposal Location/Contact	Sampling requirements	Profile Number	Landfill restrictions/capacity		
Uncontaminated Trash	Food waste, wrappings, paper, cardboard, soda cans, beach pre-cleanup waste	Municipal Waste	Place in marked container/rolloff box	Non oily trash	Heritage non haz manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	No sampling required.	Not applicable	No hours, no deq 3 day	
						Tide Water Landfill LLC (Environmental Operators LLC) Coast Guard Road Venice, LA	No sampling required.	Not applicable			
						Colonial Landfill (Allied Waste) Sorrento, LA	No sampling required.	Not applicable			
						Jefferson Davis Parish (Allied) Welch, LA	No sampling required.	Not applicable			
						Woodside Landfill (Waste Management) Walker, LA	No sampling required.	Not applicable			
						Jefferson Parish (Waste Management) Avondale, LA	No sampling required.	Not applicable			
Oil Contaminated Natural Debris from Beach clean up	Oil contaminated natural debris i.e. seaweed, tree limbs, sand, etc.	E&P Exempt waste	Place in marked container/rolloff box or cutting box that is lined.	Oily Natural Debris	UIC 28 Manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	No sampling required.	NA	No hours, no deq 3 day	
						Special waste	Place in marked container/rolloff box or cutting box that is lined.	Oily Natural Debris	Heritage non haz manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper
		Hazardous waste (pending results from above)	Place in marked container/rolloff box or cutting box that is lined.	Hazardous waste - oily Natural Debris	Uniform Hazardous waste manifest		Tide Water Landfill LLC (Environmental Operators LLC) Coast Guard Road Venice, LA	Sampling requirements	??		
							Jefferson Davis Parish (Allied) Welch, LA	Sampling requirements			
							Colonial Landfill (Allied Waste) Sorrento, LA	Sampling requirements	??		
Chemical Waste Management - Sulphur, LA	No additional sampling required										
Oil Contaminated -Other Debris from shoreline clean up (high risk)	Oil contaminated other material not natural debris i.e. drums, paint cans, tires, batteries etc. that may be hazardous or require special approvals/handling	Varies pending content and characterization	Place in marked container/rolloff box that is lined.	TBD	TBD	Varies pending contents and characterization	Representative sample to be pulled and analyzed for full TCLP and ignitability to determine if waste is hazardous or non-hazardous.	??			
Skimmed crude oil - Option 1 (small quantities needing disposal)	Oil and water collected from skimmers	E&P exempt	Frac tank or barge	Oil Spill Waste	UIC 28 Manifest	Newpark Environmental Fourchon #2 Site Code 2913 Streect	228 16th Fourchon, LA 70357	No sampling required.	NA		
						Newpark Environmental Venice	No sampling required.	NA			
						OMNI energy service Venice and Fourchon	No sampling required.	NA			
Skimmed Crude oil - Option 2 (larger volumes requiring processing/reclamation)	Oil and water collected from skimmers	Not a waste (offspec product) - send to oil refiner	Contain in skimmers and transport to oil/product to refining facility.	NA	TBD	See Oil Recovery Plan - TBD	Sampling required	NA			
Washwater resulting from decontamination activities	Washwater (crude oil, water, non listed surfactant resulting from decontaminating vessels and equipment)	E&P Exempt	Frac tanks	Oily Water	UIC 28 Manifest	Newpark Environmental Fourchon #2 Site Code 2913 Streect	228 16th Fourchon, LA 70357	No sampling required.	NA		
						Newpark Environmental Venice	No sampling required.	NA			
						OMNI energy service Venice and Fourchon	No sampling required.	NA			
						River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	No sampling required.	NA		
		Industrial	Frac tanks	Oily Water	Heritage non haz manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	Sampling requirements	??		

Solids resulting from decontamination activities and spill clean up	Oil contaminated PPE, absorbent pads, visqueen etc.	E&P Exempt	Place in marked container/rolloff box or cutting box that is lined.	Oily Absorbent/boom	UIC 28 Manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	No sampling required.	NA	
		Special waste	Place in marked container/rolloff box or cutting box that is lined.	Oily Absorbent/boom	Heritage non haz manifest	River Birch Landfill Avondale, LA 70094 (504)363-1140	2000 S Kenner Road Contact: Vic Culpepper	Sampling requirements	5501	
						Tide Water Landfill LLC (Environmental Operators LLC) Coast Guard Road Venice, LA		Sampling requirements	??	
						Jefferson Davis Parish (Allied) Walach, LA		Sampling requirements	??	
						Colonial Landfill (Allied Waste) Sorrento, LA		Sampling requirements	??	
	Hazardous waste (pending results from above)	Place in marked container/rolloff box or cutting box that is lined.	Hazardous waste - oily Natural Debris	Uniform Hazardous waste manifest	Chemical Waste Management - Sulphur, LA		No additional sampling required	??		
Medical Waste	Bandages and items with possible blood borne pathogens	Special Waste	Placed in Red medical waste container	Medical Waste	Heritage non haz manifest	Stencycle LA	No sampling required	NA
